19	12/19/03 14:55	1086.24	0							
20	12/19/03 14:50	1085.66	0							
21	12/19/03 14:45	1085.91	0							
22	12/19/03 14:40	1086.15	0							
23	12/19/03 14:35	1086.61	0							
24	12/19/03 14:30	1086.35	0							
25	12/19/03 14:25	1085.72	0							

Step 8

If you have Excel, the when you choose file>export in step 7, it opens Excel and pastes your data into it as shown... I then parse it into decending order and date format like as show in the VBA Macro below

Thats it, If you delete your cookies you will have to go through this process again however, since you have already downloaded the software, the "I See the Chart" image pops right up....

Ready NUM

```

Sub Dataprocess()
